

Information Technology Assistant Meeting Announcements September 2008

New OIT Web site:

- **Easy navigation and user-friendly:** OIT has launched a new Web site that provides users an easier navigational structure and meets 508 compliance standards.

You can view the new Web site by going to www.utsa.edu/oit.

The Web site offers a page specifically for ITA's; it can be found in the About OIT section under "Advisory Committees."

Many thanks to the ITA's that were able to participate in the usability testing.

Password Expiration Date Extended

- **180 Days for each password expiration:** Faculty, staff and student network passwords are now valid for 180 days until the next password change is required.

E-mail Expansion – 500% increase!

- **500% more space in your inbox:** Faculty and staff e-mail inbox space has been increased from 100MB to 500MB.

For more information contact Brent League at Brent.League@utsa.edu.

IMAP Update

- **IMAP:** OIT and other participants are currently testing IMAP. The release will be publicized when IMAP is fully operational.
